

Social Science

Crimson Dawn – Microvitum

In this special edition of Crimson Dawn we have compiled several of the original discourses of Shrii Sarkar together with a few authors who have accepted the seemingly impossible task to explain Microvita and Microvita cosmology and make it understandable at least in some portions or some aspects.

Microvitum in a Nutshell

Microvita are entities which come within the realms both of physicality and of psychic expression. They are smaller and subtler than physical atoms and sub-atomic particles, and in the psychic realm they may be subtler than mind-stuff.

The Downfall of Capitalism & Communism

This book was completely ignored when first published in 1978 by Macmillan Press in London, because at the time communism seemed invincible. No one can ignore it now as the Berlin Wall crumbles before our very eyes and America sinks deeper into a vast ocean of debt.
