Anandamurti: The Jamalpur Years by Devashish

Based on the oral histories of his disciples, colleagues, and family, *Anandamurti: The Jamalpur Years* unveils a remarkable portrait of this often misunderstood saint and social thinker. Rather than being an academic study of one man's life, *Anandamurti* is primarily a collection of devotional and mystical stories set in a biographical framework that provides the reader with a portal into the magical world of Indian mysticism, yoga, and Tantra.
