As One Is So One Sees Edited by Floating Eagle Feather

Miracles rest not so much upon faces or voices or healing power coming to us from afar off, but on our perceptions being made finer, so that for a moment our eyes can see and our ears can hear what is there about us always.

— Willa Cather

This literary and graphic medicine bundle brings together poems, stories, and epigrams from cultures around the world to help to bring about such miracles of clear perception.

88 pp. paperback ISBN: 0-961-1360-0-6 Price: \$6.00
