Carya Carya Part I

Caryácarya is the samája shástra (social treatise) of Ananda Marga. These three volumes set out both the organization and the cultural basis of the Ananda Marga movement.

In Part 1 the author not only gives Ananda Marga its governing boards and committees, but also provides guidelines for social functions that range from welcoming the tiny infant, to celebrating the spring, to remembering the dead.

paperback ISBN: 81-7252-028-X Pages: 100 - Price: \$6.00
