Close Your Eyes & Open Your Mind by Dada Nabhaniilananda

Dada has a rare quality of conveying some of the world's deepest truths in simple, clear language. He takes us into the depths of a rich world of deeper spiritual realities, but he also takes us by the hand so we never stray to far from its simple eloquent message; it is this balance that Dada strikes which makes this book a must read for anyone even remotely interested in the practice of meditation.

142 pp. paperback ISBN: 1-881717-07-0 Price: \$15.00
