

The Tao of Motherhood

[wp_cart:The Tao of Motherhood:price:10.95:end]

The Tao of Motherhood by Vimala McClure

The Tao of Motherhood merges Eastern mysticism with Western practicality. Reading Vimala's book is like having Lao Tzu and Chuang Tzu in your living room holding your hand. What a wonderfully easy volume for mothers and fathers to pick up and read as they have the time. A quick fix of deep wisdom! -- Peggy O'Mara, Editor/Publisher Mothering Magazine

"Parenting is a spiritual path which can bring you great pain and great joy and which can have a tremendous positive impact on your personality and behavior," says McClure. "I believe our children, unknowingly and with innocent trickery, teach us the deeper knowledge of how to be a true human being."

166 pp. paperback ISBN: 0-945934-05-X Price: \$10.95
