Work, Service and Sacrifice

Dharma Guru is a teacher who speaks out against exploitation and injustice, who makes His followers fight against this and who gives a new vision, mission and spiritual practice (yoga) to create a new humanity and a new human society. This book is a collection of His words vibrant with His tapas (austerities) on behalf of suffering humanity.

A Few Problems Solved (series)

The author's most essential social discourses, conveniently compiled in a series of parts.

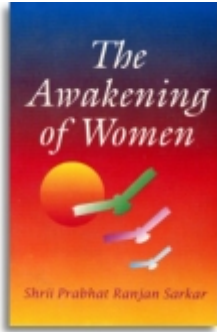

[READ MORE](#)

To the Patriots

This discourse examines the benefits and limitations of patriotism.

[READ MORE](#)

The Awakening of Women

Throughout his life, the author was deeply concerned about the conditions of women in society. He supported the emancipation of women from the bonds of dogma and ignorance.

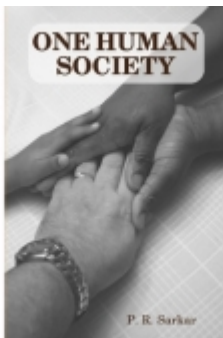

[READ MORE](#)

Problems of the Day

An analysis of the main social problems of today, dedicated to Subhash Chandra Bose, revolutionary leader of Indian independence.

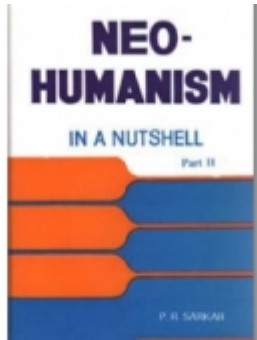

[READ MORE](#)

One Human Society

Issues of disunity and discord around the globe are usually all too clear. These discourses elaborate the many powerful elements of unity that can eventually reunite the human family.

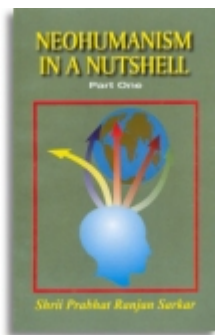

[READ MORE](#)

Neohumanism in a Nutshell Volume 2

The author details how a universal spiritual outlook can unify all of humanity, and, in contrast, how our current limitations keep millions of human and other living beings from realizing their potential.

[READ MORE](#)

Neohumanism in a Nutshell Volume 1

The author describes the importance of freeing the human intellect from limitation and divisive dogma, and of curbing exploitative tendencies.

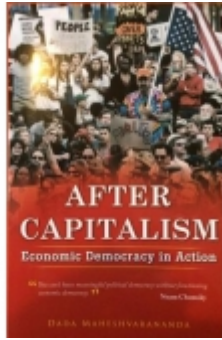

[READ MORE](#)

Human Society

The author is analyzing modern society in the first part, and then delving into human history in the second part.

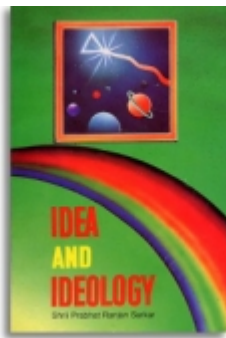

[READ MORE](#)

After Capitalism

A practical alternative to corporate capitalism is urgently needed. PROUT (Progressive Utilization Theory) offers such a vision for a more sustainable future.

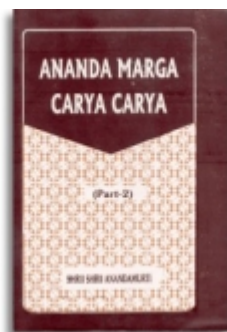

[READ MORE](#)

Idea and Ideology

Like no other book, but rather like spiritual practice itself, Idea and Ideology methodically, in a careful sequence, expands the reader's horizons and mind.

[READ MORE](#)

Carya Carya Part II

Part 2 gives many guidelines for conduct in a progressive society - i.e., a society of individuals moving towards the Supreme.

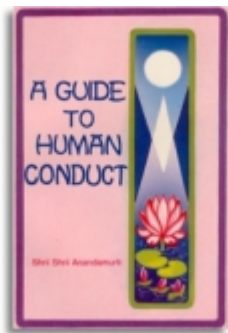

[READ MORE](#)

Carya Carya Part I

In Part 1 the author not only gives Ananda Marga its governing boards and committees, but also provides guidelines for social functions that range from welcoming the tiny infant, to celebrating the spring, to remembering the dead.

[READ MORE](#)

A Guide to Human Conduct

Herein the author explains Yama and Niyama, traditionally-accepted cardinal principles of morality, in a modern way, and at the same time places those principles on a clear scientific basis.
